Campus	Large and well maintained campus in 2 Acres (8093.7128 Sq. Mtrs) with 3450 Sq. Mtr. Built up area and 4050 Sq. Mtrs Playground with adequate classrooms as per CBSE norms.
Separate Toilet for Girls	The School has been provided with clean, safe and separate 16 toilets for girls and boys to ensure clean sanitation facilities and prevent girl drop-outs.
Drinking Water and Electricity	Lack of drinking water and regular supply of electricity is a reality and a huge challenge in remote parts of India. At the Schools, various options like bore wells, submersible pumps, private water pipelines and water tankers have been adopted to ensure regular availability of water. Additionally, alternate sources of power and the use of inverters are also being explored for schools where the provision of electricity is a distant possibility.
Lab	The School has the Composite lab for Science and Mathematics. Moreover, the computer lab provides the students with a comprehensive collection of management related software and business specific database.
Library	The library has a seating capacity that can house entire student community. It has extensive collection of books, periodicals and references. Besides, to keep the students abreast with the latest, it has also subscribed to a number of journals. E-books are also made available to students on request. Impressive collection of video cassettes, CD's and DVD's on a wide range of managerial issues augment the library. We have 441 Sq. feet hall for library, Periodicals, 7 dailies, 1570 reference books and regular magazines are available.
